2. Petitioner was allotted a flat by the Housing Board. Certain outstandings are due. The petitioner has demonstrated that, he has, as a matter of fact, remitted amounts and was earnest in repaying the loan. It is also a matter on record that he defaulted the payments after the hospitalisation of his wife which ultimately led to her unfortunate demise. Under such circumstances, it is directed that, if the petitioner makes appropriate representation before the respondent, the same will be given due consideration on a humanitarian angle and appropriate settlement could be arrived at. Let that be done following this judgment and consensus can be arrived at so that the petitioner could liquidate the outstandings. If the petitioner places such a representation within a period of one week from now, a decision on that shall be taken within a period of one month on receipt of a copy of this judgment. Until then there will be no distress action, if the petitioner remits an amount of Rs.2,00,000/- on or before 30.04.07.

JUDGE.**
